

NUCHI

by NuCicer

**Better Chickpeas.
Better Cereal.**

*Reimagine great-tasting cereal
with purposeful nutrition*

Featuring Nuchi High-Protein Chickpea Flour

- 8g protein and 5g fiber per serving
- No sensory experience compromise
- Made simple—no isolates or additional fibers
- Naturally gluten-free and free from major allergens

CII Foods Introduces high-protein cereal powered by **NUCHI**

Elevate your breakfast with Chickpea Cereal Loops developed by CII and enriched with **Nuchi, NuCicer's high-protein chickpea flour**.

Delivering a **familiar, consumer-favorite format** with an **upgraded nutritional profile** (8g of protein and 5g of fiber per serving), this innovative ingredient enables brands to replace traditional, starch-heavy flours with a **functional, better-for-you alternative**.

Nutritional Comparison (per 35g serving)

	NUCHI Chickpea Cereal Loops	Commercial Chickpea-Based Cereal Loops	Leading Commercial Cereal Loops
Protein (g)	8	8*	5
Fiber (g)	5	3	4

*Formula contains additional
pea protein isolate
